Plate Rack locks have changed!

The locks to the plate racks on the upper rifle range have been changed for the new year. What is new this year, is that 1 key, will open both plate racks. Cost is still \$50 for the year. So you'll get use of both plate racks this year for \$50. That's \$4.17 per month to use them as much as you want. See Dave Kistler on Sunday mornings or contact him at DEKistler@comcast.net to get your key. Locks will change again on October 31, 2017. Members who don't want to purchase a key can still use them on Sunday mornings for \$5.00. Pay the on duty RSO to unlock them. Non-members may use them on Sunday mornings for \$10.00.

Range Roof

Our nice new \$30,000 range roof is not so nice and new anymore - 5 weeks after completion, somebody shot a hole through it on the right side. In doing this, it appears that they violated ALL Three of the NRA "ALWAYS" Fundamental Rules of Gun Safety:

Always keep the gun pointed in a safe Direction.

Always keep your finger off the trigger until ready to shoot.

Always keep the gun unloaded until ready to use.

A "safe direction" is where, even if the gun were to fire accidentally, no injury to people or property damage would occur.

Please speak up if you see anyone violating the safety rules while handling firearms! <https://gunsafetyrules.nra.org/>

There will be two leagues starting the first Tuesday and Friday in January. Cost of the leagues will be two payments of 25.00. Pay for one league and get the second league free. Pay for one adult and get a child under 16 for free. WHAT A BARGAIN! We will have a "Flint Round" on Tuesdays and a "Vegas 450" Round on Fridays. We will have three man teams and all scores will be handicapped so don't be shy. leagues are limited to 16 people each so reserve your slot today. ronalddarmanin@gmail.com Price includes trophy's and a banquet at the end.

Rifle Matches!

Our Winter Rifle Matches are underway - Sunday mornings from December through the end of March - 9-11am - beginners Come on down!! It's any rifle/any sights or scope, 20 shots in 20 minutes standing ("offhand") in our nice, heated range house, costs \$5. This is a great way to improve your marksmanship skills & win prizes by ability groups! Our crack shots can help you along with advice & coaching to get you and your equipment in peak form! Start out trying to get 'em all on the paper, then all in the rings, then all in the black, then all in the X-ring.

Stop by & see Vic in the gun shop if you need ammo - he has quite a selection of popular and Mil-Surp calibers.

We'll try doing Biathlon practice afterward - run/walk/ski/snowshoe (bring a 22LR)
