

LSA Winter 300 League.

League Starts the first full week of December 2023.
Ends March 2024

All styles of Compound and Recurve are welcome. Team Scores will be handicapped based on averages.

Scoring for Averages in November. Turn in at least 2 scores before December 1st.

Score on either Single Spot or 3 Spot targets. (3 arrow ends *10)

There will be Specific League scorecards available on the rack with the targets in the clubhouse.

Cost for the league will be \$20 per person. Food and prizes at the banquet on March

Choose a team or let me know and team will be assigned.

Everyone has crazy schedules and we want to get as many people as possible.. You may shoot on any time the range is open. For competitors, any FITA competition scorecard is valid to turn in in lieu of a league scorecard.

Any youth that shoot Thursdays are welcome to turn in a scorecard from Thursday. While the scheduled program runs from 6 to 7, I'll try to remain as long as possible if kids still need to shoot. To preserve the JOAD rules of Thursdays, only kids and their associated adults may be present.

The Friday night adult (and older youth) will continue to run. Friday nights when people come to learn. So it may be interrupted shooting. Tuesday evenings will remain free of any other archery programs.

- A scorecard must be turned in each league week. - Scorecards must have Name and Date.
- Absent scorecards may be turned in – must be shot within 2 weeks of the week you are submitting.
- Turn in all scorecards to leominsterarchers@gmail.com Txt message or email with a picture of your scorecard.
