

## Winter Rifle Matches at LSA!

**Our Winter Rifle Matches are on Sunday mornings from December 3<sup>rd</sup> through the end of March - 9-11am**

At the Lower Range – Beginners Welcome! Come on down before or after church!!

**It's any rifle/any sights or scope, 20 shots in 20 minutes at 100 yards on SR-1 Targets, in the standing position. Costs \$5.**

This is a great way to improve your marksmanship skills for hunting, competition, or just to be "well regulated."

Our crack shots can help you to first get 'em all on the paper, then all in the bullseye, then all on the X-ring!

All are welcome - grab your rifle & come on down...any rifle you have is just fine!

We'll have the wood stove going 😊
